

## IFAT ENTSORGA 2012: All events in detail

Title	Date/Time	Location
<p><b>Forum Hall A5</b>  <b>Hydrodynamic screws from ANDRITZ Atro: Experience, competitive edge, cost advantages</b></p> <p>speaker:            Jürgen Franz, Managing Director, ANDRITZ Atro GmbH, Nürnberg</p>	<p>Tue 05/08/2012            09:30 - 10:00 h</p>	<p>Forum Hall A5</p>
<p><b>Forum Hall A5</b>  <b>Country Special Russia</b>            in cooperation with Federal Ministry for the Environment, Nature Conservation and Nuclear Safety (BMU), Berlin and German Water Partnership e.V., Berlin</p>	<p>Tue 05/08/2012            10:00 - 12:00 h</p>	<p>Forum Hall A5</p>
<p><b>Forum Hall A5</b>  <b>Phosphor-Recycling national and international</b>            Political and technological developments towards a sustainable Phosphorus Management in cooperation with Bavarian State Ministry of the Environment and Public Health (StMUG), Munich</p>	<p>Tue 05/08/2012            12:00 - 14:00 h</p>	<p>Forum Hall A5</p>
<p><b>Forum Hall A5</b>  <b>Mobile Automation and Status-oriented maintenance of burried valves "System Berliner Kappe"®</b></p> <p>speaker:            Axel Scharowitz, CEO, 3S Antriebe GmbH, Berlin            Joachim Bock, AVK Mittelmann Armaturen GmbH, Berlin</p>	<p>Tue 05/08/2012            14:00 - 14:30 h</p>	<p>Forum Hall A5</p>
<p><b>Forum Hall A5</b>  <b>Prevention of struvite (MAP) deposition in relation to municipal wastewater treatment</b></p> <p>speaker:            Wolfgang Pesch, Regional Application Manager, EMEA West, Kemira Germany Sales GmbH, Alzenau</p>	<p>Tue 05/08/2012            14:30 - 15:00 h</p>	<p>Forum Hall A5</p>
<p><b>Forum Hall A5</b>  <b>LOPROX® - Alternative Pre-Treatment of Spent Caustic Waste Water by Wet Air Oxidation</b></p> <p>speaker:            Dr. Johannes Leonhäuser, Senior Process Expert, Bayer Technology Services GmbH, Leverkusen</p>	<p>Tue 05/08/2012            15:00 - 15:30 h</p>	<p>Forum Hall A5</p>
<p><b>Forum Hall A5</b>  <b>BDE-Special: The water supply sector in Germany between competition and regulation</b>            in cooperation with Federation of the German Waste, Water and Raw Materials Management Industry (BDE e.V.), Berlin</p> <p>Organizer:            BDE Bundesverband der Deutschen Entsorgungs-, Wasser- und Rohstoffwirtschaft e.V., Berlin</p>	<p>Tue 05/08/2012            15:30 - 16:30 h</p>	<p>Forum Halle A5</p>

## IFAT ENTSORGA 2012: All events in detail

Title	Date/Time	Location
<p><b>Forum Hall A5</b>  <b>Reduction of excess sludge by means of optimized use of ozone</b></p> <p>speaker:            Dr. Matthias Rothe, Technical Director, ProMaqua GmbH, Heidelberg            Dipl.-Ing. Andrea Peluso, ProMinent Italiana, Bozen</p>	<p>Tue 05/08/2012            16:30 - 17:00 h</p>	<p>Forum Hall A5</p>
<p><b>Forum Hall A5</b>  <b>UV meets NANO - The New Photooxidation Technology for economical elimination of contaminants and odours in gas and water phases</b></p> <p>speaker:            Dipl.-Ing. Frank Seitz, Senior Team Manager, IBL Umwelt- und Biotechnik GmbH, Heidelberg</p>	<p>Tue 05/08/2012            17:00 - 17:30 h</p>	<p>Forum Hall A5</p>
<p><b>Forum Hall A5</b>  <b>Automated Demand Response: reduced electricity costs for waste, water processing and recycling industries</b></p> <p>Demand flexibility has become an asset which can be monetized. This session explains how and why participation into demand response markets should be fully automated in order to maximize the financial returns and avoid any disruption of the production process.</p> <p>speaker:            Olivier Hersent, CEO, Actility, Paris</p>	<p>Tue 05/08/2012            17:30 - 18:00 h</p>	<p>Forum Hall A5</p>
<p><b>Forum Hall A5</b>  <b>Axial split case pump as circulation pump for the air conditioning system of Doha University/Qatar</b></p> <p>speaker:            Dipl.-Ing. Heinz-Dieter Ross, Director Sales and Marketing, ANDRITZ Ritz GmbH, Schwäbisch Gmünd</p>	<p>Wed 05/09/2012            09:30 - 10:00 h</p>	<p>Forum Hall A5</p>
<p><b>Forum Hall A5</b>  <b>Environmentally friendly and sustainable solutions for sludge and biomass</b></p> <p>speaker:            Dipl.-Ing. Thore Perlitz, Senior Sales Manager, Andritz Separation GmbH, Köln</p>	<p>Wed 05/09/2012            10:00 - 10:30 h</p>	<p>Forum Hall A5</p>
<p><b>Forum Hall A5</b>  <b>BMBF Funding Activity "Sustainable Water Management - NaWaM"</b>            in cooperation with Federal Ministry of Education and Research (BMBF), Berlin</p>	<p>Wed 05/09/2012            10:30 - 12:00 h</p>	<p>Forum Halle A5</p>

## IFAT ENTSORGA 2012: All events in detail

Title	Date/Time	Location
<p><b>Forum Hall A5</b>  <b>Practical applications of ductile iron pipe systems for the water industries</b></p> <p>speaker:            Dipl.-Ing. Raimund Moisa, Managing Director, Fachgemeinschaft Guss-Rohrsysteme (FGR®) e. V., European Association for Ductile Iron Pipe Systems · EADIPS®, Griesheim</p>	Wed 05/09/2012 12:00 - 12:30 h	Forum Hall A5
<p><b>Forum Hall A5</b>  <b>The Energy Autonomous Sewage Treatment Plant - Vision or Illusion?</b></p> <p>speaker:            Dr. Marianne Buchmüller, CTO, SH+E GROUP, Stuttgart</p>	Wed 05/09/2012 12:30 - 13:00 h	Forum Hall A5
<p><b>Forum Hall A5</b>  <b>Optimization of seawater desalination</b>            Complete monitoring from sensors to data recording</p> <p>speaker:            Dr. Öznur Brandt, Market Segment Manager Water &amp; Wastewater, JUMO GmbH &amp; Co. KG, Fulda</p>	Wed 05/09/2012 13:00 - 13:30 h	Forum Halle A5
<p><b>Forum Hall A5</b>  <b>Fuzzy Filter</b>            A high rate compressible media filtration system for the removal of TSS, Phosphorus and PAC loaded with micro-constituents.</p> <p>speaker:            Bart-Jan Brandt, Managing Director, Bosman Watermanagement B.V., Piershil            Dr.-Ing. Kathrin Gantner, Senior Researcher, TU Berlin, Berlin</p>	Wed 05/09/2012 13:30 - 14:00 h	Forum Halle A5
<p><b>Forum Hall A5</b>  <b>Proclamation Seminar/Workshop: German Membrane Technology for Water and Waste</b>            Membrane Bio Reactor, Water Treatment, Industry Waste Water            in cooperation with DGMT e.V. - German Society for Membrane Technology, Münster</p> <p>Organizer:            DGMT e.V. - Deutsche Gesellschaft für Membrantechnik e.V., Münster</p>	Wed 05/09/2012 14:00 - 15:00 h	Forum Halle A5
<p><b>Forum Hall A5</b>  <b>Country Special Turkey</b>            in cooperation with Federal Ministry for the Environment, Nature Conservation and Nuclear Safety (BMU), Berlin and German Water Partnership e.V., Berlin</p>	Wed 05/09/2012 15:00 - 17:00 h	Forum Hall A5

## IFAT ENTSORGA 2012: All events in detail

Title	Date/Time	Location
<b>Forum Hall A5</b> <b>Clean water solutions around the globe</b>  speaker: Michael Micke, Head of Research and Development ? Water Filtration, MANN+HUMMEL GmbH, Ludwigsburg	Wed 05/09/2012 17:00 - 17:30 h	Forum Hall A5
<b>Forum Hall A5</b> <b>Efficient commercial and industrial applications of modular filtration systems from MANN+HUMMEL</b>  speaker: Michael Micke, Head of Research and Development ? Water Filtration, MANN+HUMMEL GmbH, Ludwigsburg	Wed 05/09/2012 17:30 - 18:00 h	Forum Hall A5
<b>Forum Hall A5</b> <b>Large scale application of the Fenton-Reaction: Presentation of the EISENMANN FENTOX®-process and different practical realisations.</b>  speaker: Dr.-Ing. Jochen Schumacher, Sales Manager Water Technology, EISENMANN Anlagenbau GmbH, Holzgerlingen	Thu 05/10/2012 09:30 - 10:00 h	Forum Hall A5
<b>Forum Hall A5</b> <b>Country Special: Arab Countries Water Utilities Association (ACWUA)</b> Case Studies from Egypt and Palestine in cooperation with Arab Countries Water Utilities Association (ACWUA), Amman	Thu 05/10/2012 10:00 - 12:00 h	Forum Hall A5
<b>Forum Hall A5</b> <b>Efficient blower solutions for your Waste Water aeration</b>  speaker: Dipl.-Ing. Thorsten Poggenmüller, Product Manager, Atlas Copco Kompressoren und Drucklufttechnik GmbH, Essen	Thu 05/10/2012 12:00 - 12:30 h	Forum Hall A5
<b>Forum Hall A5</b> <b>Advanced technology in anaerobic waste water treatment</b> Field report to the latest development in anaerobic technology at Lenzing  speaker: Ing. Stefan Baumgärtner, Plant Manager WWTP, Lenzing Technik GmbH, Austria	Thu 05/10/2012 12:30 - 13:00 h	Forum Halle A5
<b>Forum Hall A5</b> <b>Constructing coagulant dosing stations according the new EU Water Framework Directive</b>  speaker: Dipl.-Ing. Michael Lepper, Projekt Manager, Likusta Umwelttechnik GmbH, Lich	Thu 05/10/2012 13:00 - 13:30 h	Forum Hall A5

## IFAT ENTSORGA 2012: All events in detail

Title	Date/Time	Location
<b>Forum Hall A5</b> <b>Enhance nitrogen removal of an industrial waste water treatment plant - Reconstruction during operation</b>  speaker: Werner Eberhard, Project Manager, Bayer Technology Services GmbH, Leverkusen	Thu 05/10/2012 13:30 - 14:00 h	Forum Hall A5
<b>Forum Hall A5</b> <b>The ALDEC G3 decanter - a revolution in performance, energy efficiency and environmental impact</b>  speaker: Brian Munch, Market Unit Manager - Environment Technology, Alfa Laval, Glinde	Thu 05/10/2012 14:00 - 14:30 h	Forum Hall A5
<b>Forum Hall A5</b> <b>Innovative MBR design - Membrane scouring air can be optimized and minimized but why not utilized?</b>  speaker: Jessica Bengtsson, Manager, MBR Unit - Environment Technology, Alfa Laval, Glinde	Thu 05/10/2012 14:30 - 15:00 h	Forum Hall A5
<b>Forum Hall A5</b> <b>Panel Discussion: Special Capacity Development</b> Capacity development of the German water sector on international markets - information and opportunities for personal advancement in cooperation with Federal Ministry for the Environment, Nature Conservation and Nuclear Safety (BMU), Berlin and German Water Partnership e.V., Berlin	Thu 05/10/2012 15:00 - 17:00 h	Forum Hall A5
<b>Forum Hall A5</b> <b>No compromise in Waste Water Pumping</b>  speaker: Leo Andersen, Business Development Manager, Grundfos A/S, Bjerringbro	Thu 05/10/2012 17:00 - 17:30 h	Forum Hall A5
<b>Forum Hall A5</b> <b>Hydrothermal carbonization of Biomass with CarboREN®-technology</b>  speaker: Friedrich von Ploetz, Managing Director, SunCoal Industries GmbH, Ludwigsfelde	Thu 05/10/2012 17:30 - 18:00 h	Forum Hall A5
<b>Forum Hall A5</b> <b>Effective sand cleaning for sand filter basin, applied for drinking water treatment plant</b>  speaker: Yasunobu Takagi, Consultant, Nihon Genryo Co., Ltd., Kawasaki-shi	Fri 05/11/2012 09:30 - 10:00 h	Forum Hall A5
