

IFAT ENTSORGA 2012: All events in detail

Title	Date/Time	Location
<p>Special Events Research and Education Area Meeting the future - the joint stand at the West Entrance themselves to the international universities. Here you will gain far reaching insight into the educational and research activities participation for Environmental Technology of tomorrow.</p> <p>Organizer: Universität der Bundeswehr München</p>	Mon 05/07/2012 09:00 - 18:00 h	Eingang West
<p>Special Events Special exhibition "Water is Future" The special exhibition "Water is Future" gives anfornt extensive overview of the threats facing water supplies and ways of protecting this vital resource. The imation is attractively presented in five theme stations, a model of a protected drinking water catchment area, a guess-the-water-sound game, a "water man", quiz terminals and columns with backlit visuals. Here visitors learn about a wide range of topics, among them life in water, use of water, natural disasters, climate change, water in our cities and sustainable water management.</p> <p>Organizer: Messe München International, München</p>	Mon 05/07/2012 09:00 - 18:00 h	Hall B5, Stand: 214
<p>Special Events Historical exhibition ?100 years of municipal cleaning? Historical equipment and vehicles will be shown on the occasion of this 100-year anniversary. German Association of Local Utilities (VKU), Messe München International</p> <p>Organizer: VKU Messe München International, München</p>	Mon 05/07/2012 09:00 - 18:00 h	Via Entrance West, ICM - Internationales Congress Center München, Foyer Ground Floor
<p>Special Events Young Water Professionals' Lounge Come and join us! This is the slogan of the "Young Water Professionals' Lounge" - DWA-Junior Members and (Ex-) Participants of former YWP Programmes are invited to visit the YWP-Lounge during the 2012 IFAT ENTSORGA. Here young people will meet and greet - relax from trade fair visits and excursions, presentations discussions, and exchange impressions of the fair, the events, the conferences etc. - or just small talk and network. In the afternoons, presentations about water history in Germany and worldwide invite to broaden the auditoriums' horizon.</p> <p>Organizer: Deutsche Vereinigung für Wasserwirtschaft, Abwasser und Abfall e.V. (DWA)</p>	Mon 05/07/2012 09:00 - 18:00 h	via entrance west, ICM - Internationales Congress Center München, Foyer 1st floor

IFAT ENTSORGA 2012: All events in detail

Title	Date/Time	Location
<p>Special Events Special Exhibition: "Treasure Trove Cell Phone" On over 100 sqm, the special exhibition called "Treasure Trove Cell Phone" examines the cell phone, the raw materials contained within it, and the recovery processes. An interactive 3D jigsaw puzzle illustrates which raw materials are built into cell phones. At a series of action columns visitors find out how these raw materials can be recovered and which methods and processes are involved, from collection of old cell phones to extraction, processing and re-processing of the materials for further use.</p> <p>Organizer: Messe München International, München Bayerisches Staatsministerium für Umwelt und Gesundheit (StMUG)</p>	Mon 05/07/2012 09:00 - 18:00 h	Special Exhibition: "Treasure Trove Cell Phone", Hall B1, Stand 324
<p>Special Events Trucks in Action Experience live modern, task-specific vehicle solutions. From waste disposal to street cleaning, from snow clearing and sanding to special operations - this is where you get up-to-date on the most important trends and developments. EUnited Municipal Equipment and VAK e.V.-Germany Municipal Vehicles and Equipment Industry Association</p> <p>Organizer: VAK e.V. - Verband der Arbeitsgeräte- und Kommunalfahrzeug-Industrie e.V., Berlin EUnited Municipal Equipment, Frankfurt am Main</p>	Mon 05/07/2012 09:30 - 17:10 h	Outdoor site, F5.504/1
<p>Special Events Diverse Ausschuss- und Fachausschuss-Sitzungen</p> <p>Organizer: VKU</p>	Mon 05/07/2012 10:00 - 18:00 h	Conference rooms B21, B22
<p>Special Events Waste water treatment plant of the future and different methods and technologies for an efficient waste water treatment the conference will be organised and managed by Cambi Deutschland GmbH</p> <p>speaker: Prof. Dr. rer. nat. Harald Horn, Head of the institute for water chemistry and water technology, Karlsruher Institut für Technologie, Karlsruhe</p> <p>Organizer: Cambi Deutschland GmbH, Düsseldorf</p>	Mon 05/07/2012 11:00 - 12:00 h	Conference room B 42

<p>Special Events Young Water Professionals' Lounge Come and join us! This is the slogan of the "Young Water Professionals' Lounge" - DWA-Junior Members and (Ex-) Participants of former YWP Programmes are invited to visit the YWP-Lounge during the 2012 IFAT ENTSORGA. Here young people will meet and greet - relax from trade fair visits and excursions, presentations discussions, and exchange impressions of the fair, the events, the conferences etc. - or just small talk and network. In the afternoons, presentations about water history in Germany and worldwide invite to broaden the auditoriums' horizon.</p> <p>Organizer: Deutsche Vereinigung für Wasserwirtschaft, Abwasser und Abfall e.V. (DWA)</p>	Thu 05/10/2012 09:00 - 18:00 h	via entrance west, ICM - Internationales Congress Center München, Foyer 1st floor
<p>Special Events Historical exhibition ?100 years of municipal cleaning? Historical equipment and vehicles will be shown on the occasion of this 100-year anniversary. German Association of Local Utilities (VKU), Messe München International</p> <p>Organizer: VKU Messe München International, München</p>	Thu 05/10/2012 09:00 - 18:00 h	Via Entrance West, ICM ? Internationales Congress Center München, Foyer Ground Floor
<p>Special Events Research and Education Area Meeting the future - the joint stand at the West Entrance themselves to the international universities. Here you will gain far reaching insight into the educational and research activities participation for Environmental Technology of tomorrow.</p> <p>Organizer: Universität der Bundeswehr München</p>	Thu 05/10/2012 09:00 - 18:00 h	Eingang West
<p>Special Events Special Exhibition: Treasure Trove Cell Phone On over 100 sqm, the special exhibition called "Treasure Trove Cell Phone" examines the cell phone, the raw materials contained within it, and the recovery processes. An interactive 3D jigsaw puzzle illustrates which raw materials are built into cell phones. At a series of action columns visitors find out how these raw materials can be recovered and which methods and processes are involved, from collection of old cell phones to extraction, processing and re-processing of the materials for further use.</p> <p>Organizer: Messe München International, München Bayerisches Staatsministerium für Umwelt und Gesundheit (StMUG)</p>	Thu 05/10/2012 09:00 - 18:00 h	Special Exhibition: "Treasure Trove Cell Phone", Hall B1, Stand 324
