

IFAT ENTSORGA 2012: All events in detail

Title	Date/Time	Location
<p>16th International Symposium Water, Wastewater, Solid Waste, Energy Municipal day Flood prevention and new energy concepts in the municipal focus in cooperation with The German Association for Water, Wastewater and Waste (DWA), Deutscher Städtetag, Deutscher Städte- und Gemeindebund (DStGB), Deutscher Landkreistag, European Water Association (EWA) and Council of European Municipalities and Regions (CCRE CEMR)</p>	<p>Mon 05/07/2012 09:30 - 11:00 h</p>	<p>via entrance west, ICM - Internationales Congress Center München, room 14 a</p>
<p>16th International Symposium Water, Wastewater, Solid Waste, Energy Symposium on Sustainable Solid Waste Management Resource protection through valorisation of municipal waste - status quo and prospects in cooperation with German Association for Water, Wastewater and Waste (DWA), European Water Association (EWA), Verband kommunaler Unternehmen Abfallwirtschaft und Stadtreinigung VKS (VKU), International Solid Waste Association (ISWA)</p>	<p>Mon 05/07/2012 09:30 - 13:00 h</p>	<p>via entrance west, ICM - Internationales Congress Center München, room 14 c</p>
<p>16th International Symposium Water, Wastewater, Solid Waste, Energy Municipal day Flood prevention and new energy concepts in the municipal focus in cooperation with The German Association for Water, Wastewater and Waste (DWA), Deutscher Städtetag, Deutscher Städte- und Gemeindebund (DStGB), Deutscher Landkreistag, European Water Association (EWA) and Council of European Municipalities and Regions (CCRE CEMR)</p>	<p>Mon 05/07/2012 11:30 - 13:00 h</p>	<p>via entrance west, ICM ? Internationales Congress Center München, room 14a</p>
<p>16th International Symposium Water, Wastewater, Solid Waste, Energy Symposium on Sustainable Water Management - New Solutions for new problems Water supply and infrastructure - the impact of demographic changes on urban water systems in cooperation with German Association for Water, Wastewater and Waste (DWA), European Water Association (EWA), Verband kommunaler Unternehmen Abfallwirtschaft und Stadtreinigung VKS (VKU), International Solid Waste Association (ISWA)</p>	<p>Tue 05/08/2012 09:30 - 11:00 h</p>	<p>via entrance west, ICM - Internationales Congress Center München, room 14 a</p>
<p>16th International Symposium Water, Wastewater, Solid Waste, Energy Symposium on Sustainable Solid Waste Management Sustainable management of municipal biowaste in cooperation with German Association for Water, Wastewater and Waste (DWA), European Water Association (EWA), Verband kommunaler Unternehmen Abfallwirtschaft und Stadtreinigung VKS (VKU), International Solid Waste Association (ISWA)</p>	<p>Tue 05/08/2012 09:30 - 13:00 h</p>	<p>via entrance west, ICM - Internationales Congress Center München, room 14 c</p>
<p>16th International Symposium Water, Wastewater, Solid Waste, Energy Symposium on Sustainable Water Management - New Solutions for new problems Energy efficiency of wastewater treatment plants - improved design and operation in cooperation with German Association for Water, Wastewater and Waste (DWA), European Water Association (EWA), Verband kommunaler Unternehmen Abfallwirtschaft und Stadtreinigung VKS (VKU), International Solid Waste Association (ISWA)</p>	<p>Tue 05/08/2012 11:30 - 13:00 h</p>	<p>via entrance west, ICM - International Congress Center Munich, room 14 a</p>

IFAT ENTSORGA 2012: All events in detail

Title	Date/Time	Location
<p>16th International Symposium Water, Wastewater, Solid Waste, Energy Symposium on Sustainable Water Management - New Solutions for new problems Wastewater treatment technologies for improved effluent quality in cooperation with The German Association for Water, Wastewater and Waste (DWA), European Water Association (EWA), Verband kommunaler Unternehmen Abfallwirtschaft und Stadtreinigung VKS (VKU), International Solid Waste Association (ISWA)</p>	<p>Wed 05/09/2012 09:30 - 11:00 h</p>	<p>via entrance west, ICM - International Congress Center Munich, room 14 a</p>
<p>16th International Symposium Water, Wastewater, Solid Waste, Energy Symposium on Sustainable Water Management - New Solutions for new problems Wastewater treatment technologies for improved effluent quality in cooperation with The German Association for Water, Wastewater and Waste (DWA), European Water Association (EWA), Verband kommunaler Unternehmen Abfallwirtschaft und Stadtreinigung VKS (VKU), International Solid Waste Association (ISWA)</p>	<p>Wed 05/09/2012 11:30 - 13:00 h</p>	<p>via entrance west, ICM - International Congress Center Munich, room 14 a</p>
<p>16th International Symposium Water, Wastewater, Solid Waste, Energy Symposium on Sustainable Solid Waste Management Winterservices and Street Cleaning in cooperation with The German Association for Water, Wastewater and Waste (DWA), European Water Association (EWA), Verband kommunaler Unternehmen Abfallwirtschaft und Stadtreinigung VKS (VKU), International Solid Waste Association (ISWA)</p>	<p>Thu 05/10/2012 09:30 - 13:00 h</p>	<p>via entrance west, ICM - International Congress Center Munich, room 14 c</p>
